

Corgi Puppy Sale Contract

- 1> This contract is for the sale of a Pembroke Welsh Corgi Puppy. The puppy chosen is nick named \_\_\_\_\_, sex: \_\_\_\_\_, colour: \_\_\_\_\_, and with the distinct markings: \_\_\_\_\_. The puppy is by registered AKC male Quigley Fuzzy Bear and out of registered AKC female Molly Butter Fox born Thursday May 8, 2014.
- 2> The price of the puppy is \$1000 to be paid in full by the time of pick up. If paying the remaining balance at time of pickup, the payment can be cash or e-transfer (full payment needs to be confirmed before the puppy can be released). The deposit can be made via cash, cheque, or e-transfer. Any cheques are payable to Lindsey Partridge. The minimum deposit to hold a puppy is 50% (\$500 Canadian), however the buyer may choose to pay the sale amount in full at the time of deposit. The buyer has paid \$\_\_\_\_\_ deposit by \_\_\_\_\_ on \_\_\_\_\_ (seller initials: \_\_\_\_\_).
- 3> The seller guarantees the puppy will be checked by a veterinarian and any health concerns will be disclosed to the buyer. The buyer can also have the puppy inspected by their own veterinarian at their own cost. If a health concern is identified by a veterinarian before the puppy is 12 weeks old, the buyer can choose another puppy if available, receive a full refund, or choose to keep the chosen puppy. If a congenital health concern is identified after 12 weeks, but before 1 year that impedes the puppy's ability to live a normal life (meaning able to move/walk, eat, hear, see, smell, urinate/defecate within normal limits as deemed by a veterinarian for their age), the buyer can notify the seller and provide veterinarian documentation – at which time they can choose to keep the puppy or choose another puppy from the next available litter.
- 4> The seller guarantees the puppy will have first vaccinations and de-worming as recommended and provided by a veterinarian and records will be given to the buyer.
- 5> If the buyer decides to sell/give away the dog in the future, they will notify the seller. They will not allow the dog to be put in an abusive home or where animal testing is done.
- 6> Buyer and seller information is listed below.
